Dear Paulette and Kevin,

This note is to thank you for your help in keeping our home "Perfectly Klean."

Wow, it would take me an entire Saturday, plus some, to do the thorough cleaning you two do each and every time you visit. And I would not even get to the cleaning of the silk plants, the refrigerator top, wiping all of the cabinet doors, nor the wiping of all my "knick-knacks," which you do every visit. Bob is also excited to not have to do as much interim vacuuming as he used to help me with! He gets to spend more time playing his guitar!

Thank you also for your kind hearts, and your genuine interest in partnering with me to help my family keep up with this aspect of life. I am grateful I saw your sign, and that you are in my life.

If anyone would like to speak to me about your incredible cleaning expertise, and your reliability, please do not hesitate to call me. I will gladly sing your praises and encourage them to work with you.

With Best Regards,

Leigh Bailey Davis
